FOREX

In addition to our futures capabilities, we offer our clients access to the liquidity of the global FX markets. We also provide the tools, expertise and support that you need.

We offer industry leading FX trading platforms, which provide PGM clients comprehensive FX trading services.

- Access to 70+ spot FX markets
- Voice trading on spot FX and forwards
- Diverse interbank and multisource liquidity
- Pure agency execution
- Execution via trading platform, API or agency desk
- Ability to maintain current prime broker relationship
- Create top-of-book pricing
- EFPs

Managed Futures

As a growing asset class, managed futures should be considered for allocation in most portfolios

- Effectively investing in managed futures requires skill, experience, and education.
- PGM's managed futures experts work with our clients to develop a portfolio allocation program that will complement their core strategy and goals.
- PGM will have a consultation with the client to understand their portfolio and investment requirements and then research to identify a CTA or CTAs that may be appropriate to the client's unique circumstances.

Available reports for managed futures include:

- Same portfolio construction
- CTA profiles and performance
- CTA rankings
- Statistical analysis

Clearport / ICE Block Execution

When you choose PGM for your Cleared-OTC trading, you will receive:

- Access to liquidity pools through our established relationships with market-makers.
- Straight Through Processing (STP) with CME Direct.
- Complex options and structures placed on the CME and ICE Block.
- Advice, assistance and services from PGM brokers with industry experience and knowledge of Cleared-OTC products in:

- ✓ Agriculture
- ✓ Energy & Power
- ✓ Metals

Diverse Client Base

At PGM, we cater to a wide range of clients with diverse requirements and strategies. We deliver each of them expertise in exchange-traded futures, options, foreign exchange, LME and Cleared OTC Blocks.

Our Clients Include:

- Institutions
- Fund Managers
- CTAs
- Energy Funds and Traders
- Broker-Dealers
- High Net Worth Individuals
- Self-Directed Traders
- Commercial Hedgers

With PGM's customized products and services, including our execution and clearing access, our technology solutions and our experience with managed futures, we believe we provide the resources to help you succeed.
